

New Source Review newspaper advertisements for construction permit applications, June 9, 2016. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: June 3, 2016, June 8, 2016, or June 9, 2016. Public notices are generally published every two weeks. The previous publication of public notices was June 2, 2016.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532 0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Morgan Olson, LLC with a mailing address of 1801 S. Nottawa Road, Sturgis, MI 49091. The facility currently has an air contaminant permit (53-0199/970945P) for construction of a Walk-in Van Production facility at 9600 Corporate Park Drive, Loudon, TN 37774. The facility proposes to add the Vehicle Sanding/ Pre-Clean Booth (53-0199-08/971429P) operation as a permitted source. Dry filters will be used for pollution control. There will not be any physical construction. Regulated air contaminants will be emitted by the source. Tawanna F. Reid is the assigned Division person.

For the Loudon County "News-Herald"-- publish once on Wednesday, June 8, 2016.

The applicant is Carlex Glass Company with a mailing and site address of 77 Excellence Way, Vonore, TN 37885. They seek to obtain an air contaminant permit (Division identification number: 62-0100-16/971642) for a 150 KW natural gas-fired emergency generator engine. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Abbas Yavari is the assigned Division person.

For the Monroe County "Monroe County Advocate"-- publish once on Wednesday, June 8, 2016..

The applicant is Proton Power with a mailing address of 487 Sam Rayburn Parkway, Lenoir City, TN 37771. The facility seeks to obtain an air contaminant permit (73-1117-01/971615P) for construction of a new CHyP unit located at 210 Sam Rayburn Parkway, Lenoir City, TN 37771. The proposed operation will have a new design for the hot zone, but will operate in the same manner as the existing CHyP units. A flare will be used for pollution control. There will be physical construction with regulated air contaminants emitted by the source. Tawanna F. Reid is the assigned Division person.

For the Roane County "Roane County News"-- publish once on Wednesday, June 8, 2016.

The applicant is Tri Star Energy, LLC With a mailing address of 1740 Ed Temple Blvd, Nashville, TN 37208 and the facility site name is 6178 Twice Daily.
